

CHEPLAPHARM PROVES ITS VIGOUR

Greifswald, 12/16/2020 - Cheplapharm successfully closes the first project with LEO Pharma

This week CHEPLAPHARM successfully closed the project with LeoPharma, which was started in June this year. It includes four off-patent brands which are well established by patients and prescribers equally - One-Alpha[®], Pimafucin[®], Locoid[®] and Zineryt[®]. The products are mainly focused on the therapeutic areas dermatology, gynaecology as same as calcium-metabolism. Cheplapharm therefore is able to expand its portfolio in various territories. The APIs of the referring products are Alfacalcidol, Hydrocortisone butyrate, Natamycin and Erythromycin together with Zinc Acetate.

“We are very proud to show our competence in the partnership with a new partner, LEO Pharma. The acquired portfolio contains brands with a high quality and an excellent positioning, which will therefore strengthen our presence in these markets”, said CHEPLAPHARM’s CEO Sebastian F. Braun.
